This place was great!! Stopped in for a quick bite, and ended up hanging at the abr with friends for 2 hours. Short ribs were melt-in-your-mouth fantastic, the bartenders and staff were friendly and knowledgeable, and the price was reasonable, although not inexpensive. Highly recommended.

Superb addition to the Boston scene. None of the pretentiousness of the Newbury St. "small plate" places; a joy all its own. Try the Cucumber Martini - they squeeze their own cucumber juice! We wandered over during the week - no crowd at all. The Boston Globe did a spread on them this week - probably mobbed now as a result. As I write this, I am getting the urge to return this evening.....
